ABOUT

The Teal Diva 5k originated in Mooresville, NC. After three successful years, we brought it to the Queen City. Join us as we celebrate a decade of supporting women affected by gynecologic cancer May 4, 2024 at McAlpine Park in Charlotte, NC.

MISSION

Teal Diva focuses on the mental and emotional health of those affected by a gynecologic cancer. Our goal is to meet our community where they are by connecting with newly diagnosed women, survivors, and their support network.

The 5k is an amazing way to bring my family and friends together to celebrate both my life and how the Teal Diva sisterhood has been such a positive and loving presence during my cancer journey. It is so uplifting to see all of the incredible gyn cancer survivors in one place and to meet their supporters and loved ones. The 5k makes us all feel like superheroes.

The 10th Annual Teal Diva 5k welcomes participants from all walks of life: families, fitness enthusiasts, patients, hospital staff seeking meaningful connections with patients, community members, and businesses looking to make a difference. Join us as we run and walk for Her!

Participants

Individual runners and walkers, as well as families and teams, gather to honor the strong women in their lives who are currently battling, have battled, or have passed away from gynecologic cancer. We unite in teal, peach, and lavender attire, symbolizing our commitment to their cause and the power of community support.

Teal Diva was a group that was very close to our girl's heart. She found an organization that wasn't an "organization" it was a community. A community of fighters and survivors and supporters that all had a common bond. All be it that common bond was terrible, the community was beautiful. We continue to support Teal Diva, even after losing our most beloved, because this community meant so much to her and helped all of us get through tough days. If we can help someone else, either with the disease or supporting, then we'll be here. FOREVER!!

HOW WE MAKE A DIFFERENCE

YES GIRL VOLUNTEER PROGRAM

By saying yes to tasks like lawn mowing, laundry, home maintenance, and offering financial assistance for necessities like rent and utilities, our community volunteers help ease the burdens of a woman battling cancer, allowing her to focus on her fight and find moments for herself, so she never has to face it alone.

TEAL TRANQUILITY: *A Break from the Battle, Together*

Our weekend retreat is a transformative experience for survivors of gynecologic cancer, made possible through our fundraising efforts. Your support as a donor ensures that we can continue to provide this life-changing retreat, allowing survivors to forge deep connections, find strength in one another, and create lasting memories. Your contribution helps us offer solace, inspiration, and healing to those who need it most.

ENCOURAGEMENT CARDS

As part of our nonprofit's mission, we've introduced a new program in response to the challenges brought forth by the pandemic. We're excited to share that we now provide a service where women in need of encouragement receive uplifting cards filled with prayers and support.

CANCER SURVIVOR DIGNITY CHEMO SHIRT

We provide teal infusion shirts to women receiving chemotherapy for gynecological cancers, free of charge, preserving their dignity during a difficult process and empowering them by making their battle visible through the distinctive teal color associated with ovarian cancer.

FOUNDER'S SPOTLIGHT

Shannon Routh is a beacon of teal at every event, arriving early, adorned in the most vibrant teal attire, and exuding boundless enthusiasm with a perpetual smile. As a survivor herself, her unwavering courage and generous spirit inspire hope among fellow survivors and infuse every gathering with infectious energy, making everyone feel cherished. Leading this nonprofit with an unstoppable drive, she embarks on her 14th year at the helm, having dedicated herself to this mission since 2010.

My first Teal Diva 5k was 3 1/2 years ago during which my sister and four best friends of 40 years joined me to celebrate the end of my chemo treatments for ovarian cancer. Since then, I have attended every Teal Diva 5K in Charlotte and have volunteered at every Summer-ville 5k. Each Teal Diva 5k is so special...it's not only a day for me to gather with my best friends to celebrate my survivorship, it's also a day for me to fellowship with and celebrate the survivorship of my Teal Sisters.
